Dear Mr. Morss,

Thank you very much for your letter of Feb. 7th, 1967, stating that you have received Radio Station CHIN 1540.

We are pleased to confirm your description of our programming and that we do operate on the frewuency of 1540 KC. at an authorized power of 50,000 watts by authority of the Department of Transport, Ottawa, Ontario, Canada, from sunrise to sunset.

Once again, your reception report has been indeed welcomed. I might add that we have received quite a number of reception reports from Mass. in general.

Yours very truly,

F. W. Cole
